FOR EARLY CARE AND
EDUCATION PROGRAMS

Dear Families,

On 11/8/2022 Good Shepherd Preschool was awarded accreditation by the National Accreditation Commission for Early Care and Education Programs.

As an Accredited center, Good Shepherd Preschool is recognized as an early care and education program that exemplifies excellence in the care of young children. Good Shepherd Preschool ensures a high quality program for children that is conducive to their individual growth and development, provides professional training opportunities for staff, and demonstrates that the center exceeds minimum state licensing requirements for child care programs.

The accreditation process included a Self-Study in which administrators, staff, and parents evaluated the program in accordance with Accreditation Standards. A validation visit and a thorough commission review of all program materials concluded the process with a decision to award accreditation. All parents, staff members, and administrators at Good Shepherd Preschool are to be congratulated for achieving this level of excellence.

Sincerely,

Erin Schmidt

Director of Accreditation
