

TODDLER

very flexible schedule

- ♥While caring for children one year and older, it is our goal to follow the very flexible schedule we have for the classroom.
 - ♥Children will participate in activities aside the times for diapering, feeding and napping.
- ♥In the Infant Toddler program, families provide all food for their children, depending upon their stage of growth.
- ♥Our classroom activities are planned to nurture and support the whole child: spiritual, cognitive, language, social emotional, fine and large motor development.
